

SUBSTITUTE APN / CERTIFIED NURSE MIDWIFE

The Advanced Practice Nurse or Certified Nurse Midwife is a member of the interdisciplinary health care team that provides all aspects of reproductive health care to Women's Health's patients. The APN/CNM practices within the guidelines and protocols of the State of Colorado's family planning program and the protocols of the Boulder Valley Women's Health Center.

Hours: part-time as needed

Compensation: commensurate with experience

Supervisor: Clinical Director

Start Date: As soon as possible

PRIMARY RESPONSIBILITIES:

- Substitute nurse practitioner will work approximately one Saturday per month and have availability to fill in as needed
- Possibility for occasional regular shifts
- Take patient history and conduct physical exam with emphasis on the reproductive system
- Formulate diagnosis and treatment plans for routine reproductive health care concerns including annual gynecological visits across the lifespan, initiation and maintenance of contraceptive methods
- Evaluate and treat infections
- Serve as backup to lab personnel as needed
- Work on additional projects as assigned by the Clinical Director or Medical Director

QUALIFIED APPLICANTS WILL DEMONSTRATE:

Required

- Current unrestricted license as an Advance Practice Nurse or Certified Nurse Midwife in the State of Colorado
- Current certification by appropriate certification board according to license
- 2+ years of experience working in reproductive health care
- Strong commitment to reproductive freedom
- Demonstrated knowledge of and passion for the mission of Women's Health
- Strong work ethic
- Proactive, independent, and self-directed work style
- Customer service oriented: friendly and positive with the ability to interface with a wide variety of individuals
- Awareness of social justice issues, including race, gender, class, and sexual orientation
- Team player who is willing to go above and beyond to help others
- Organizes, prioritizes, and professionally handles multiple job responsibilities in a fast-paced environment
- Able to work occasional Saturdays
- Able to work in Boulder and Longmont locations

Preferred

- Experience prescribing and placing long acting reversible contraception
- Experience providing care to a diverse patient population including adolescents, non-English speakers, male patients, and members of the LGBTQ community including transgender patients

- Electronic Health Record experience
- Bilingual (Spanish)

Physical Requirements

- Sitting and standing associated with a normal office environment, with some bending and twisting
- Able to lift 20 pounds periodically throughout the day
- Manual dexterity needed for venipuncture, use of lab equipment, use of calculator and computer keyboard

WHY WOMEN'S HEALTH?

- ✓ **We make a real impact** for those we serve. As the first abortion provider to open in Colorado, we remain innovative and locally focused, honoring the legacy of our founders. We aim to create access for those who need it the most by breaking down barriers that exist in our community.
- ✓ **We support each other.** The culture at Women's Health is built around trust, collaboration, and respect. Diverse backgrounds, experiences and viewpoints are celebrated and valued here. Our approximately 40 staff members are driven by their personal passion for our cause, and come together to build strong, effective programs.
- ✓ **Our benefits package** for full-time employees includes eight paid holidays, paid time off (vacation + sick), medical coverage, long-term disability, a 403b retirement plan, and an Eco-Pass.

The Mission of Boulder Valley Women's Health Center is to provide accessible, confidential and comprehensive gynecological and reproductive healthcare, including sexual health services and education. We envision a healthy community of people empowered to make informed choices about their sexual health and well-being.

Women's Health values diversity and is committed to hiring individuals from various backgrounds. As an Equal Opportunity Employer, we do not discriminate based on race, color, religion, gender identity, gender expression, sexual identity, national origin, age, or ability.
