DELIVERY TECHNOLOGY

The Liposome Advantage

Our liposomes are double-layered "bubbles" or spheres that surround nutrients, helping them to pass through the harsh environment of the digestive system intact for better absorption and use by the

body. The result? Premium quality products designed to maximize results and minimize waste!*

Our mission is to deliver solutions to health-conscious consumers who demand superior quality and delivery of key ingredients for optimal product performance. Utilizing the latest technology,

Vasayo addresses common problems with extraordinary solutions.

With Vasayo, the difference is in the delivery...and that makes all the difference!
