

Written Financial Policy 2019

Thank you for choosing Veinity MD. Our primary mission is to deliver the best and most comprehensive care available. An important part of the mission is making the cost of optimal care as easy and manageable for our patients as possible by offering several payment options.

Payment Options:

You can choose from:

- Cash, Visa®, MasterCard®, American Express® or Discover Card®
- Convenient Monthly Payment Options¹ from CareCredit Healthcare Credit Card
 - o Allow you to pay over time
 - o No annual fees or pre-payment penalties

Veinity MD requires payment prior to treatment. If care is discontinued before treatment is complete, no refund will be processed on services or packages but you may apply any balance towards our other services. This credit is only valid to be applied 1 year from date of purchase.

Gift certificates, credits, or prepaid services/items are good for up to one year only. No exceptions.

For larger, more comprehensive treatment plans of \$400 or more, a 50% deposit is required to secure your initial treatment appointment.

For patients without insurance, or patients that carry insurance that we do not accept, our cash pay office visits are \$200.00

For patients with insurance we are happy to work with your carrier to maximize your benefit and directly bill them for reimbursement for your treatment.² If you require FMLA forms, SSD forms, or other forms of this nature, there is a \$50 fee due at the time of form drop off.

A fee of \$50 is charged for patients who "No Show" or cancel more than 1 time in a calendar year without 48-hour notice.

Veinity MD charges \$35 for returned checks.

If you have any questions, please do not hesitate to ask. We are here to help you get the quality care you want or need.
