Our “No-Cost, No-Obligation” Consultation

We are one of few healthcare clinics nationwide licensed to offer *The Advanced Arthritis Relief Protocol™*. The AARP program is a unique approach to the non-surgical treatment of Osteoarthritis of the Knee & Shoulder. By combining a healthcare team consisting of Medical Doctors, Chiropractors, Physical Therapists, and others we are able to gain a collaborative approach to your care. Utilizing a variety of state-of-the-art medical devices such as digital x-ray, video fluoroscopy, custom engineered knee unloading braces, and more we are able to leverage the latest medical devices to assist in your treatment and care. At Bain Complete Wellness we strive to help our patients avoid surgery and regain their optimum function and quality of life.

Because of the unique nature of our facility and our treatment programs we offer a “No-Cost, No-Obligation” Consultation in which you can learn more about us, and we can better understand your condition and healthcare goals. Your consultation today will consist of:

- An explanation of our unique treatment protocol
- The ability for you to ask questions about your health related issues
- Tour of our facility
- A general opinion as to the ability of the services provided at this facility to possibly help you with your healthcare needs

Once you have received the above and we feel you are a candidate for our unique approach to your healthcare needs, the “No-Cost, No-Obligation” Consultation has ended. In order for you to then become a patient and receive care at our facility, a full examination by the treating clinician will be performed. The full exam and any treatment you may have at that time, including x-ray or other diagnostic tests as deemed necessary by the clinician will be billed to your insurance company.

By signing below you are acknowledging that you have received the “No-Cost, No-Obligation” Consultation and have expressed the desire to become a patient and understand the examination, treatment, and any diagnostics rendered at this point on this day, will be billed to your insurance company.
