

You Have a Choice

Oregon Law (ORS 441.098) requires us to inform you that:

- You have a choice of where to go when you are referred for a diagnostic test, health care treatment or service.
- When a referral is made, you have the right to talk about your options of where you may go, and the right to choose where you would like to have a test, treatment or service done.
- Your referral will not be denied, limited or withdrawn if you choose a facility other than what your provider recommends.
- **It is your responsibility to determine your medical insurance coverage for a test, treatment or service.**
