UCLA Health accepts Medicare-assignment and private indemnity insurance. We also participate in over 100 local and national managed care networks, some of which are listed below*. Since this is not a comprehensive listing, please call us at [1-800-UCLA-MD1](tel:1-800-UCLA-MD1) (1-800-825-2631) if you are concerned or have a question about whether your insurance is accepted here. You may also speak with your benefits coordinator, or consult the health plan provider directory to confirm that UCLA Health accepts your insurance coverage.

Health Insurance Exchange

These include Individual & Family Plans (IFP) and Small Business Health Options Programs (SHOP) purchased either through the Covered California health insurance exchange ("on the exchange") or through an insurance company outside of the health exchange ("off the exchange").
