CONFIDENTIAL HEALTH INFORMATION

INFORMED CONSENT TO TREAT

I hereby request and consent to the performance of procedures, including various modes of physio therapy, chiropractic adjustments, examinations, acupuncture and any supportive therapies on me (or on the patient named below, for whom I am legally responsible) by Dr. Josh Biberdorf and support staff who now or in the future treat me while employed by, working or associated with or serving as back-up providers named below, including those working at the clinic or office listed below or any other office or clinic, whether signatories to this form or not.

I have had an opportunity to discuss with Dr. Josh Biberdorf and/or with other office or clinic personnel the nature and purpose of the procedures. I understand and I am informed that, as is with all healthcare treatments, results are not guaranteed and there is no promise to cure. I further understand and I am informed that, as is with all healthcare treatments, there are some risks to treatment, including, but not limited to, muscle spasms for short periods of time, aggravating and/or temporary increase in symptoms, lack in improvement of symptoms, fractures, disc injuries, strokes, dislocations and sprains. I do not expect Dr. Josh Biberdorf to be able to anticipate and explain all risks and complications, and I wish to rely on the doctor to exercise judgment during the course of the procedure which the doctor feels at the time, based upon the facts then known, is in my best interests.

I further understand that treatment is designed to improve health. It can also alleviate certain symptoms through a conservative approach with hopes to avoid more invasive procedures. However, like all other health modalities, results are not guaranteed and there is no promise to cure. Accordingly, I understand that all payment(s) for treatment(s) are final and no refunds will be issued.

I further understand that there are treatment options available for my condition, these treatment options include, but not limited to self-administered, over the counter analgesics and rest; medical care with prescription drugs such as anti-inflammatories, muscle relaxants and painkillers; steroid injections; bracing; and surgery. I understand and have been informed that I have the right to a second opinion and secure other opinions if I have concerns as to the nature of my symptoms and treatment options.

I have read, or have had read to me, the above consent. I have also had an opportunity to ask questions about its content, and by signing below I agree to the above-named procedures. I intend this consent to cover the entire course of treatment for my present condition and for any future condition(s) for which I seek treatment.
