PATIENT RECORD OF DISCLOSURES

In general, The HIPPAA privacy rule gives individuals the right to request a restriction on uses and disclosures of their protected health information (PHI). The individual is also provided the right to request confidential communications or that a communication of PHI be made by alternative means, such as sending correspondence to the individual's office rather than their home.

I wish to be contacted in the following manner (check all that apply to you):

☐ **Home Telephone**
- ☐ OK to leave message with detailed information
- ☐ Leave message with call back number only

☐ **Work Telephone**
- ☐ OK to leave message with detailed information
- ☐ Leave message with call back number only

☐ **Written Communication**
- ☐ OK to mail to home address
- ☐ OK to mail my work address

☐ **Email**
- ☐ Opt out
- ☐ OK to receive information via email

Email: _____

_____ By my initials, I request that **BeachCare** provide a copy of my medical records to my family physician and physicians consulted by **BeachCare** Medical staff to participate in my care.

_____ By my initials, I acknowledge that I have been offered a copy of the **BeachCare** Privacy Policy.

The Privacy Rule generally requires healthcare providers to take reasonable steps to limit the use or disclosure of, and requests for PHI to the minimum necessary to accomplish the intended purpose. The provisions do not apply to uses or disclosures made pursuant to an authorization requested by the individual.
Healthcare entities must keep records of PHI disclosures. Information provided below, if completed properly will constitute an adequate record.

NOTE : Uses and disclosures may be permitted without prior consent in an emergency.

Person's authorized to receive your information:
