

## Plastic Surgery Specialists Of Boca Raton Support Breast Cancer Awareness Month

Dr. Rafael C. Cabrera and Dr. Scott T. Farber of Plastic Surgery Specialists of Boca Raton raised nearly \$4,000 for the Not My Daughter, Find a Cure Now Foundation. Plastic Surgery Specialists of Boca Raton offered their patients a discount on various cosmetic services and then passed the savings on to the charity, which is hosted by local women. In addition, Dr. Cabrera and Dr. Farber were sponsors at the foundation's inaugural event. This event was especially important to Dr. Cabrera. "We raised this money in honor of my mother in the hopes that my daughters will never have to face the challenges of this disease," he said. **Plastic Surgery Specialists of Boca Raton, 951 N.W. 13th St., Suite 4A, Boca Raton, 561-393-6400; pssbocaraton.com.**
