☐ **Vitamins & Minerals** **$75.00**
Addresses the vitamins and minerals presently found in your body and which ones your body has a better response to.

☐ **Lifestyle** **$250.00**
The 4 core systems that need to be functioning properly to maintain health and start the healing process are examined closer. Balancing items include nutritional items or activities for each category that could have the most impact.

☐ **Hormones** **$100.00**
Hormones, in fact, not only control the reproductive system, but are necessary for the numerous other physical, mental, and emotional functions. The hormones scan addresses the most out of balance hormones, which will also help to improve or maintain your overall health.

☐ **Digestive** **$150.00**
From your hormones to your heart, everything in your body needs the nutrients from the digestive process to work correctly. The Digestion biosurvey addresses this critical system that plays such a significant role in the body's overall health and wellness.

☐ **Wellness** **$150.00**
focuses on the 4 core systems – detoxification, gastrointestinal, hormonal/endocrine, and the immune system. Evaluating how these systems function independently and interdependently can help you manage and prevent illnesses, and/or improve your overall health or fitness levels.

☐ **Food Sensitivity** **$75.00**
One diet that is optimal for one, may not be optimal for another. This scan address everyone's bio-individuality and show what your body has a biological coherence or incoherence response to. It is NOT an allergy or toxin scan, but it can help guide your future diet and nutrition choices.

**Follow ups:
$50 for up to 30 mins
$75 for up to an hour

HIPPA NOTICE OF PRIVACY PRACTICES

Since 1996 certain laws have been enforced regarding medical record privacy (Health Insurance Portability and Accountability Act) or HIPPA. Under the law, we are now required to notify you of this, so here is a short version of these regulations for you for your convenience. The full seven-page privacy notice is available for you to read or you can ask for your own copy.

This Notice of Privacy Practices describes the ways we are allowed by law to use your protected health information (medical records) or PHI to carry out treatment, payment, and other health care operations and for other purposes that are permitted or required by law. It also describes your rights to access and control your PHI. We are required to abide by these privacy rules.

According to privacy laws, your physician will your PHI as he/she has always done for treatment, payment, or other health care operations. In addition, we may also disclose your PHI from time to time to other physicians or health care providers who become involved in taking care of you. Your PHI will be used, as needed, in order for us to obtain payments for our services. Front desk sign in sheets will be used where you will be asked to sign your name and we will call you by your name in the waiting room when your doctor is ready to see you. We may also use your PHI when necessary to contact you concerning your appointment. We will share your PHI with business associates who perform services for us. There could include billing services or transcribing services. They are also required to maintain confidentiality.

Your PHI could be used to provide you with information about treatment alternatives or other health related benefits and services that may be of interest to you. Other used or disclosures will be made only with your written authorization, unless otherwise allowed or required by law. You may revoke this authorization at any time, in writing.

Unless you object, we may reveal (with your signed consent) to a member of your family, close friend, or other person you choose, parts of your PHI that relate to that person's involvement in your health care. If you are unable to agree or object to this, as an emergency, your physician will try to obtain your consent as soon as possible. Your PHI may be disclosed by us in order to comply with workman's compensation laws. If you are an inmate we may disclose necessary information to the staff of the institution.

You have the right to inspect and copy your PHI except for certain federal law limitations. You may also ask us not to disclose your PHI or purpose of treatment, payment, or health care operations, also that it not be disclosed to family members. This must be specific and in writing. However, your doctor is not required to agree to such restrictions if he/she believes it is not in your best interest. You may ask for your PHI to be amended. You also have the right to know to whom we have revealed your information if it is other than for the treatment, payment, or health care operations.

You have the right to a paper copy of this notice upon request. You may complain to us or to the Secretary of Health and Human Services if you believe your privacy rights have been violated by us. We will not retaliate against your filing such a complaint.

Patient Health Information Consent Form

We want you to know how your Patient Health Information (PHI) is going to be used in this office and your rights concerning those records. Before we will begin any health care operations, we must require you to read and sign this consent form stating that you understand and agree with how your records will be used. If you would like to have a more detailed account of our policies and procedures concerning the privacy of your Patient Health Information, we encourage you to read the HIPAA NOTICE that is available to you at the front desk before signing the consent.

1. The patient understands and agrees to allow Natural Remedes to use their Patient Health Information (PHI) for the purpose of treatment, payment, healthcare operations, and coordination of care. As an example, the patient agrees to allow this naturopathic office to submit requested PHI to the Health Insurance Company (or companies) provided to us by the patient for the purpose of payment. Be assured that Natural Remedes will limit the release of all PHI to the minimum needed for what the insurance companies require for payment.
2. The patient has the right to examine and obtain a copy of his or her own health records at any time and request corrections. The patient may request to know what disclosures have been made and submit in writing any further restrictions on the use of their PHI. Our office is not obligated to agree to those restrictions.
3. A patient's written consent need only be obtained one time for all subsequent care given the patient in this office.
4. The patient may provide a written request to revoke consent at any time during care. This would not affect the use of those records for the care given prior to the written request to revoke consent but would apply to any care given after the request has been presented.
5. For your security and right to privacy, all staff has been trained in the area of patient record privacy, and a privacy official has been designated to enforce those procedures in our office. We have taken all precautions that are known by this office to assure that your records are not readily available to those who do not need them.
6. Patients have the right to file a formal complaint with our privacy official about any possible violations of these policies and procedures.
7. If the patient refuses to sign this consent for the purpose of treatment, payment and health care operations, Natural Remedes has the right to refuse to give care.
8. From time to time we may send you birthday cards or letters, use your name on a birthday list or use your name on a referral board in our office. By your signature below, you have given us permission to do so.

I have read and understand how my Patient Health Information will be used and I agree to these policies and procedures.
