January 6, 2020

To Our Valued Patients:

We are pleased to announce that the Apple Valley Medical Clinic, Ltd., Apple Valley Medical Urgent Care, and Clinical Skin Therapeutics will join Allina Health on February 1, 2020. This relationship will bring together a premier primary care group with one of the largest health care providers in Minnesota and Western Wisconsin. Through our partnership with Allina Health, we will work to make sure your care experience continues to be excellent.

As a valued patient we realize these changes may affect your health care choices. While Allina Health works with most major health plans and medical insurances, we encourage you to check with your health plan to ensure Allina Health remains an option for you to continue to see the provider you've come to know and trust.

Presently, a number of Allina Health services are already offered in the Apple Valley Medical Center building. We look forward to continuing to offer existing services while also investing in additional health care services that our community has requested. Together, Apple Valley Medical Clinic and Allina Health are excited to offer a full spectrum of high quality, easily accessible and seamlessly connected care, including primary care, urgent care and specialty care services. For questions, or to schedule your next appointment, please call (952) 432-6161.

We are excited about this new endeavor and can assure you that we remain committed to offering exceptional care for you and your family.

Thank you for trusting us with your care.

Sincerely,

Peter Frederixon M.D.

Kenneth Pallas M.D.

Stuart Steichen D.O.

Amy Diede M.D.

Yasmin Orandi M.D.

Holly Hett M.D.
