

BILINGUAL SPANISH/ENGLISH ABORTION COUNSELOR

*Provide short-term counseling for abortion patients. Support ethical process, decision-making, relationship issues, religious and/or values questions;
assess coping skills, support system, and resolution around decision.
Provide emotional support for patients.*

Hours: approximately 5-7 hours most Fridays; plus monthly staff meetings

Compensation: \$21.00 - \$23.61/hr. Start Date: As soon as possible

PRIMARY RESPONSIBILITIES:

SHORT-TERM COUNSELING

- Discuss and support patient's decision-making process.
- Provide acceptance and non-judgmental support for patients.
- Provide emotional support to patients during and after procedures.
- Offer referrals and post-procedure support as needed.
- Offer counseling support to patients' partners as requested.
- Provide counseling and information in Spanish to Spanish-speaking patients as needed.

ASSESSMENT

- Assess patient's emotional stability, coping skills, and sources of emotional support. e.g. family, friends, pregnancy partner
- Assess resolution of patient's decision making-process.

EDUCATION

- Provide information about medical procedures, aftercare, and contraception, and obtain informed consent. Invite and answer all questions. Refer to medical staff as needed.

PROFESSIONAL RELATIONSHIPS

- Maintain collegial professional relationships with other counselors, medical personnel and administrative staff.
- Attend All Staff meetings and team meetings as scheduled.

QUALIFIED APPLICANTS WILL DEMONSTRATE:

- Master's Degree in counseling or related field (or working towards).
- Bilingual Spanish and English required.
- Experience in abortion counseling or health care preferred.
- Strong commitment to reproductive freedom, and an ability to demonstrate knowledge and passion for the mission of Women's Health.
- Strong work ethic and a proactive, self-directed work style.

WHY WOMEN'S HEALTH?

- ✓ **We make a real impact** for those we serve. As the first abortion provider to open in Colorado, we remain innovative and locally focused, honoring the legacy of our founders. We aim to create access for those who need it the most by breaking down barriers that exist in our community.
- ✓ **We support each other.** The culture at Women's Health is built around trust, collaboration, and respect. Diverse backgrounds, experiences and viewpoints are celebrated and valued here. Our approximately 40 staff members are driven by their personal passion for our cause, and come together to build strong, effective programs.

The Mission of Boulder Valley Women's Health Center is to provide accessible, confidential and comprehensive gynecological and reproductive healthcare, including sexual health services and education. We envision a healthy community of people empowered to make informed choices about their sexual health and well-being.

Women's Health values diversity and is committed to hiring individuals from various backgrounds. As an Equal Opportunity Employer, we do not discriminate based on race, color, religion, gender identity, gender expression, sexual identity, national origin, age, or ability.
