

Florida Spine and Pain Specialists is continuing to closely monitor the coronavirus (COVID-19) outbreak. We are committed to the safety and well-being of our patients and staff. We are following the Center for Disease Control (CDC) guideline and the guidelines of the Florida Department of Health.

**Procedure and clinic visits will remain as scheduled.**

Preventative Measures:

1. Patients that are showing any signs of illness (fever, cough, shortness of breath, body aches) will be asked to reschedule their appointment if in office. If you or any of your family members are experiencing any of these symptoms, **PLEASE DO NOT COME IN**. Call and inform our office all our late cancel, no show, and late reschedule fees will be waived during this outbreak.
2. If you are anyone you know have been in contact with someone that have traveled to China, Japan, South Korea, Europe or any other country facing an outbreak please call us to reschedule your appointment.
3. We have increased cleaning and sterilizing practices in our offices. Between patients our rooms will be sanitized and may result in a longer wait for our patients. Our staff and the doctor will be wearing gloves and will not be shaking hands.
4. When you walk into clinic hand sanitizer is available at the front desk. Please use it when you walk in. We also will be sanitizing the waiting room and the front desk area periodically throughout the day.
5. We have adjusted our schedule so there are no more than 5 appointments scheduled at a time. Please do not bring more than 2 people over the age of 18 with you for your appointments.

***If you have any questions or concerns please call us at 813-333-1353.***
