Dear Patients & Visitors:

To limit the spread of COVID-19 and to keep the community and our patients healthy, Orthopedic Specialists is taking the following precautionary measures effective immediately:

- Patients or patients with family members with symptoms of illness such as cough, fever, difficulty breathing, upper respiratory symptoms or is being tested for the coronavirus **must** reschedule their appointment by calling (727) 938-1935 .
- Notify staff immediately if you have traveled outside the United States or have been in potential contact with a person known to have or suspected to have COVID-19.
- All employees at Orthopedic Specialists will adhere to Center for Disease Control and Prevention (CDC) and Department of Health and Human Services community mitigation strategies related to COVID-19.
- CDC has identified older adults and those who have serious chronic medical conditions as high risk for getting very sick from COVID-19. Please notify our staff immediately if you wish to reschedule your appointment to a later date.
- Magazines have been removed from our waiting room and exam rooms.
- We also ask that you do not bring guests to your appointments, other a necessary caregiver

Thank you for your understanding and compliance to these limitations as we work together to ensure the highest level of health and safety for our patients, staff and community!

Sincerely,

Orthopedic Specialists Doctors & Staff
