

Please take a moment to read about the following changes to our practice in light of COVID-19:

We will be offering **telemedicine appointments** to returning patients in the upcoming weeks. Please text or call our office at 808-949-7568 for further details.

If you would like to **purchase products** and do not have an appointment, please call or text us at 808-949-7568 with your order. **All orders over \$100 receive FREE SHIPPING.** For orders under \$100, there is a \$5 flat fee.

Please **DO NOT ENTER** the office and call to reschedule your appointment if:

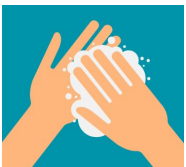

- you have a fever, cough, or feel sick or have been sick in the past 14 days

- you have traveled **ANYWHERE** outside of the state within the past 14 days

Please **do not bring additional people** to your appointment.

Exceptions will be made for caregivers and legal guardians. Please have anyone who does not need to be at your appointment wait outside the office.

Please **WASH YOUR HANDS on arrival.** Soap and water is the best way to clean your hands and prevent the spread of infection. When soap and water is not available use a hand sanitizer that contains at least 60% alcohol.
