

CONNECTING TO THE HEALOW APP FROM YOUR SMARTPHONE ALLERGY & CLINICAL IMMUNOLOGY MEDICAL GROUP

The Healow app is a **free** secure portal to manage your health—anytime and anywhere. Manage important health information for you and your family. Check your doctor’s availability and schedule your next appointment online, get access to medical records, medication or communicate with your medical staff all from one place.

- Manage multiple accounts, all with one app
- Book appointments instantly for free
- Manage your medicine cabinet
- Your complete health record at your finger tips
- Automated reminders for upcoming appointments & easy check-in
- Choose the tracker that’s important for you, take charge of your health
- Stay connected to your healthcare providers

Get the Healow App Today

1. Download the Healow app from the Apple or Google App store using the links below
2. Enter our practice code **HECEBA**
3. Enter your portal username and password to log on (or if you do not have a portal account- ask our staff about signing up)
4. Create a PIN to securely access your records
