

We are extending our hours during the novel Corona (COVID-19) virus outbreak to include online Telemedicine visits. Please follow the four simple steps below to be ready to use this service:

- 1. Download the application**
 - a. Go to: <https://portal.anytimepediatrics.com/> with your video capable cell phone (for computers with video use Google Chrome), and it is best to use a Wifi connection.**
 - b. You can also download Anytime Pediatrics APP from the website**
- 2. Then parents need to register themselves first, then register each child separately and enter insurance/billing information.**
 - a. We will be collecting co-payments and billing your insurance, but if the visit is not covered, you will be charged to your credit card. Please let us know if there is financial hardship.**
- 3. Existing Patients - please use code 3730 with the APP or desktop version to link to our office.**
 - a. For New Patients - please click the link NEW PATIENT REGISTRATION PACKET and complete the packet first. Please send the completed packet to topediatrics@gmail.com.**
- 4. Now you are ready to set up your Tele-Medicine appointment.**
 - a. During work hours schedule online visits with the receptionist by call 805-480-3730.**
 - b. We will also have on request visits available before and after regular office hours.**
