Patient Financial Agreement

Thank you for choosing us as your dermatologist. We are committed to providing you with quality and affordable health care. We ask all patients to review and sign this policy, asking questions as necessary. A copy will be provided to you upon request.

- 1. Insurance:** We accept assignment and participate in most insurance plans. If your insurance is not a plan we participate in, payment in full is expected at each visit. Knowing your insurance benefits is your responsibility. Please contact your insurer with any questions you may have regarding your coverage to receive maximum benefits.
- 2. Patient payment:** All copayments and deductibles are to be paid at time of service. This arrangement is part of your contract with your insurance company.
- 3. Registration:** All patients must complete our patient information form, which will be entered into our computer to maintain accurate information for proper billing. We must obtain a copy of your driver's license and current valid insurance card to provide proof of insurance. If you fail to provide us with the correct insurance information, or your insurance changes and you fail to notify us in a timely manner, you may be responsible for the balance of a claim. Most insurance companies have a timely filing restriction; if a claim is not received with 30 days of date of service, it can be rendered ineligible for payment and you will be responsible for the balance that remains.
- 4. Claims:** We will submit your claims and assist you in any way we reasonably can to help get your claims paid. Your insurance company may not accept information from our office and may need information from you. It is your responsibility to comply with their request. Please be aware that the balance of your claim is your responsibility whether your insurance company pays or not. Your insurance benefit is a contract between you and the insurance company; we are not a party to that contract.
- 5. Uninsured patients:** We offer a self-pay discount, which is equal to Medicare allowable, to our patients who do not have insurance. Payment in full is due at time of service. If prior arrangement has been made on any unpaid balance, you will receive a monthly statement that is due upon receipt.
- 6. Bad debt accounts:** Our billing department will reasonably attempt to collect on all outstanding balances. This includes three billing statements, followed by three phone calls from our billing department. At this point, if balance remains unpaid the patient's account is considered a "bad debt". The patient may pay their balance at any time thereafter to get out of "bad debt" status, but we do not schedule any further non-urgent appointments until the bad debt balance is paid in full.
- 7. Returned check fee:** The return of a check issued to Brevard Medical Dermatology will result in a \$25.00 returned check fee being placed on the account of the patient no matter the reason. Written notification on how to resolve the returned check will be sent to the patient. A hold will be placed on the account, until the returned check has been resolved. Each account will be allowed two returned checks after which payment by check will not be accepted. **IMPORTANT NOTE: A RETURNED CHECK MAY RESULT IN A HOLD ON THE ACCOUNT, WHICH MAY PRECLUDE SERVICES ROUTINE IN NATURE OR NON-URGENT MATTERS.**
- 8. Phone management fee:** There will be a \$20 charge for managing and treating a minor acute illness (e.g., Accutane follow up, exchange of photos regarding rash, lesions, etc. between patient and medical provider) over the phone. The phone management fee will not be billed to your insurance and is your full responsibility.
- 9. Missed appointments:** Our policy is to charge \$25 for missed appointments not canceled within 24 hours of scheduled appointment. These charges will be your responsibility and billed directly to you. Please help us serve you better by keeping your regularly scheduled appointments.

Thank you for taking the time to review our financial policy. Please let us know if you have any questions or concerns.

I have read and understand the financial policy and agree to abide by its guidelines.
