

Dr. Glenn Wellman, PT, DPT

Doctor of Physical Therapy

Education:

- Doctor of Physical Therapy, Northeastern University
- Bachelor of Science in Rehabilitation Science, Northeastern University

Professional Memberships/Certifications:

- American Physical Therapy Association
- Colorado Physical Therapy Association
- Foot and Ankle Special Interest Group Member
- Pain Special Interest Group Member
- Certified Strength and Conditioning Specialist (CSCS)

Continuing Education:

- PRI Pelvis Certified
- FMS Level 1 Certified
- Soft Tissue Techniques for the Lower Quarter

Professional Interests:

Glenn enjoys working in outpatient orthopedics to restore strength and function by blending a combination of hands on manual therapy, targeted therapeutic exercise, neuromuscular re-education and function specific strengthening to help his patients meet their goals. He has a special interest in working with the lower extremity and has worked with many high level athletes including professional dancers, marathon runners and collegiate athletes.

Personal Interests:

Glenn enjoys staying active and involved in the community, and has officiated at the youth and collegiate level for USA hockey for the last 10 years. Outside of the clinic he enjoys skiing, playing hockey and golf, and hiking. When he is

not in the clinic you might find him enjoying the outdoors, at the local ice rink, running a 5k or spending time with friends and family.
