

Melissa Cepeda, OTR/L

Occupational Therapist

Education:

- Master of Science in Occupational Therapy
Florida International University
- Bachelor of Science in Biological Sciences, Minor in Chemistry
Florida International University

Professional Memberships/Certifications:

- CPR Certified
- American Occupational Therapy Association (AOTA)
- Florida Occupational Therapy Association (FOTA)
- Working Towards Becoming a Certified Hand Therapist (CHT)

Continuing Education:

- Hand Therapy: Beyond the Basics
- Introduction to Hand Therapy
- E1- Upper Extremity Evaluation & Manipulation – University of St. Augustine

Professional Interests:

Melissa has a passion for occupational therapy assisting persons of all ages getting them back to whatever their passion may be. She specializes in treating upper extremity diagnoses with focus on hand therapy. Melissa's future education goals include becoming a Certified Hand Therapist (CHT). She assists in developing a unique and customized treatment program for each patient following a physician's specific protocol to allow for functional rehabilitation.

Personal Interests: Melissa enjoys spending time with her family and friends including her three younger siblings. She also enjoys shopping, reading, and traveling especially to the beach!
