Note: You need to make a choice about receiving these health care items or services.

We expect that your insurance company will not pay for the item(s) or service(s) that are described below. Your insurance company does not pay for all of your health care costs. Your insurance company only pays for covered items and services when your insurance company's rules are met. The fact that your insurance company may not pay for a particular item or service does not mean that you should not receive it. There may be a good reason your doctor recommended it. Right now, in your case, your insurance company probably will not pay for the following:
