POLICIES AND PROCEDURES

Health Insurance Cards: Please bring your most current health insurance membership card to each and every appointment. Intentionally failing to notify us of changes to your insurance coverage may constitute insurance fraud, and we may be obliged to report it to the authorities.

Keeping Appointments: Appointments must be cancelled with at least 1 full business day's notice for office appointments, and 3 full business days' notice for surgical procedures. Failure to show for an office visit, or cancellation on less than 24 hours' notice, constitutes a no-show and is subject to a $50 fee. Failure to show for a surgical procedure, or cancellation on less than 3 days' notice, constitutes a no-show and is subject to a $250 fee. Cancellation due to lack of referral (see below) is considered a no-show. You may be dismissed as a patient by our practice for failure to meet your financial obligations.

Health Insurance Plans: Although we may advise you whether we believe we participate with your insurance carrier, we are not responsible for any assurances made to you regarding whether particular services rendered in this practice are covered by your plan. You and you alone are responsible to understand the provisions of your health insurance plan and coverage. We recommend contacting your carrier prior to receiving services in order to verify your financial responsibilities and our participation status in your specific network.

Referrals and Prior Authorizations: You are responsible to obtain all necessary referrals prior to your appointment, if required by your health plan. We will do our best to ensure you have one if you need one, but the ultimate responsibility is yours. If your plan requires a referral or authorization that you do not obtain, and your health plan refuses to pay for any claim for lack of a referral or authorization, you explicitly agree to be responsible for our charges for any affected visits, even if the provisions of your plan stipulate you otherwise wouldn't be (you are waiving that defense). If you come to an appointment without a required referral, and you must reschedule, the canceled visit may be considered a no-show, as above.

Medicare: If you have coverage with original Medicare (this means Medicare directly from the government) or Medicare Advantage (this means Medicare provided through a commercial carrier) it is your responsibility to understand the provisions of your health insurance plan and coverage. Every original Medicare beneficiary is responsible for an annual deductible and a 20% coinsurance. Any portion of this deductible and coinsurance that is not covered by a supplemental carrier will be your financial responsibility to pay. You are wholly responsible for your coverage limitations, regardless of whether you are aware of the details. If you have both Medicare and another insurance, you are responsible for providing the correct primary insurance at your visit. If you have supplemental insurance that does not cross over automatically, and/or is not paid within 60 days from the date of service, you will be billed for the deductible and coinsurance, and you may be given a receipt to submit yourself. By signing below you specifically agree to these terms, and exempt yourself from any protections your insurance plan may offer you regarding this provision.

In-Network Commercial Insurance: If you have an insurance plan with which the provider does participate, and under which you have in-network benefits, we shall file claims with the insurance carrier and, upon receipt of carrier adjudication, will invoice you for any balance which may be applied to your financial responsibility. If your plan has a copayment, it is your responsibility to pay it in full at the time of service, even if the amount it not printed on your insurance card. Please have your payment ready upon check-in. Please be aware that, should you not pay your copayment at the time of service, you will be responsible to pay an invoice fee of $15. If your insurance carrier advises us that the amount of your copayment is higher than what is printed on the card you provide, you are responsible for payment of the difference. If your plan advises us at any time that you do not have coverage for the services rendered, or your policy is exhausted, or you are not covered for services rendered for any reason, even retroactively, you will be responsible for the entire balance.

Out-of-Network Commercial Insurance: If you have an insurance plan with which we do not participate, but under which you have out-of-network benefits, we may agree to file claims for services rendered. You may be required to pay for some or all of the charges upfront toward your obligation for services rendered, and after receiving the insurance carrier adjudication we may bill you for the balance.

If your plan advises us at any time that you do not have coverage for the services rendered out-of-network, or your policy is exhausted, or you are not covered for services rendered for any reason, you will be responsible for the entire balance. If your plan issues payment to us for services rendered out-of-network, you may be responsible for some or all of the balance, which we will invoice you for. If your plan makes payment directly to the patient or policy holder for services rendered, you are responsible to turn the entire payment over to us immediately upon receipt, by endorsing the check over to Southern California Multi-Specialty Center, along with a complete copy of the Explanation of Benefits. Should you be issued payment by the insurance carrier and not promptly turn it over to us in whole,

legal action will be pursued and you may be discharged as a patient from this practice. After turning over the insurance carrier's payment, you may remain responsible for some or all of the balance, which we will invoice you for. We may only submit claims to your primary insurance – you may be given a receipt which you can submit to secondary insurance. Balance bills are due immediately upon receipt.

Health Insurance Non-Payment: Services that have not been paid by your health insurance carrier within 60 days of claim submission will become your financial responsibility to pay in full. In cases of retroactive disenrollment, you are responsible immediately upon notification to us by the carrier. This policy applies equally to in-network and out-of-network plans. If your insurance carrier later makes payment on such a claim, you will be reimbursed for your payment, minus any amount which has been applied to your financial responsibility by your in-network insurance carrier.

Balances and Collections: It is our right and responsibility to bill you for any portion of your treatment your medical insurance assigns to your responsibility. It is your responsibility, as detailed by the terms of your health insurance policy, to pay any such portion. If you do not remit full payment on any such bills within a reasonable period and with reasonable notice, your account may be sent to collections. If that happens, you agree to reimburse us the fees of any collection agency, which may be based on a percentage at a maximum of 30% of the debt, and all costs and expenses, including reasonable attorneys' fees, which we incur in such collection efforts. If you bounce a check, you will be responsible for a $35 fee, and will not be able to pay by personal check again. You may be dismissed as a patient by our practice for failure to meet your financial obligations.

Self-pay patients: If you do not have health insurance, or are receiving services known to not usually be covered, it is our policy that you must pay for those services before leaving the office. If you have insurance through an out-of-network insurance to which we do not agree to submit claims on your behalf, you may ask for a receipt at the time of service.

Smoke Free Environment: Southern California Multi-Specialty Center is a smoke free environment. Smoking (including smokeless tobacco, electronic cigarettes and vaping, regardless of tobacco content) is prohibited at any of our locations.

Weapon Free Environment: Southern California Multi-Specialty Center strives to maintain an environment free from violence and intimidation. Weapons of any kind are prohibited on all our properties, with the exception of authorized law enforcement officers. For the purposes of this policy, weapons are defined as any implement or tool whose primary function is to cause bodily harm to the person against whom it is used.

Energy Fields: Southern California Multi-Specialty Center and its subsidiaries render services at locations (including but not limited to those owned and rented by it/them) which contain hazardous energy fields or radiation, such as x-rays. Patients who are pregnant (including those who think they may be pregnant) and/or susceptible to radiation should notify the medical staff. By signing below you hereby release the owners, physicians and staff of Southern California Multi-Specialty Center and its subsidiaries from all suits, claims, liability, or demands of every kind and character which you or your heirs, executors, administrators or assigns hereafter can, shall, or may have arising out of your presence at any of these locations.

Laboratory Testing: If you are a member of an insurance plan that requires you to have your laboratory specimens sent to a particular laboratory, and this office is so informed by you, we will happily send your specimens to that laboratory, unless the provider determines that another laboratory is preferred for medical reasons. However, regardless of which laboratory patient specimens are sent to for analysis, you are entirely responsible for all charges assessed by the laboratory, and shall handle financial matters directly with the laboratory.

Privacy: A person is liable for constructive invasion of privacy when they attempt to capture any type of visual image, sound recording or other physical impression of another individual engaging in a personal or familial activity under circumstances in which that individual had a reasonable expectation of privacy. A person who violates these provisions would be subject to a civil fine of not less than $5,000 and not more than $50,000 [California Civil Code, Section 1708.8]. Southern California Multi-Specialty Center complies with applicable federal civil rights laws and does not discriminate based on race, color, national origin, age, disability, or sex.

I have read, fully understand, accept and agree to comply with all the above provisions, policies and conditions. I consent to the assignment of authorized health insurance benefits by my health insurer to Southern California Multi-Specialty Center (and its subsidiaries) for any services furnished to me or my dependents. I authorize any provider or supplier of services in this office to release the information required to secure the payment of benefits. I authorize the use of my signature on all insurance submissions. I authorize a copy of this document to be used in place of the original.

PATIENT CONSENT TO PHOTOGRAPHY

The Department of Health and Human Services has established a provision known as the Privacy Rule, as a result of passage of the HIPAA law and its omnibus. You may not revoke actions that have already been taken which relied on this or a previously signed consent.

If you have any concerns about this policy or form, please ask to speak with our HIPAA Compliance Officer.
