### **Nashville Brain Institute Billing Policy**

1, Nashville Brain Institute (NBI) is contracted with Medicare and the main commercial insurances (BCBS, UHC, Optum, Cigna, Aetna, Tricare, UMR, Healthspring, Humana) except for TennCare and Beacon.

2, Self-payment: Initial evaluation (30-45 min): \$250. Follow up (15-25 min): \$125. Therapy (60 min): \$125. TMS: \$120. Ketamine Spray: \$200. Suboxone treatment: \$250 per month. Psychotherapy \$125.

3, Insurance-payment: Initial evaluation (30-45 min): \$150 deposit to reserve the appointment without referral (\$150 will be refunded when insurance pays the 1st visit). Standard Follow up (20-30 min): Medication management (CPT 99213-99215) & add-on Supportive Therapy \* (CPT 90833, 16 to 30 min). Supportive Therapy focuses on stress reduction, symptom management, and relapse prevention. Ketamine Spray: \$100 additional charge for 1-2 hours office observation. Suboxone Treatment: \$150 per month additional charge for UDS and drug addiction counseling. TMS: \$60 (50% discount) in addition to regular office visit charge if insurance won't cover the TMS treatment.

\*\*You may receive insurance EOB listing two services (CPT 99214 & 90833)\*\*

4, No Show Charge: \$150 for Initial Evaluation; \$100 for follow up.

**I have read and accepted this agreement.**
