Your child has been scheduled for a **Upper Endoscopy on:**

**Your child will receive a call the afternoon ONE DAY prior to tell you what time you need to arrive at:
Procedure location**

Day Prior to the Procedure:

1. You may eat or drink what you like up to 8 hours prior to the procedure.
2. You should take all of your regular medications.
3. If you have a heart valve problem, heart murmur or had surgery of urogenital tract please inform our office and consult your pediatrician, as you may need cardiology or urology clearance prior to the procedure. Antibiotics ordered by the above physicians should be faxed to us and will be given 30 minutes before the procedure, and you will be scheduled accordingly.
4. If you have any allergies, please discuss these with our doctor, if you have not already done so.

Day of the Procedure: (Please arrive one hour early for the Procedure.)

Take your regular morning medications with small sips of water. (You may drink water or apple juice up to six hours prior to the procedure.)

\$200 charge will be parent's responsibility for no show to procedure or cancellation less than 3 business days in advance
