Bone Density Consent

We are pleased to inform you that we can offer the convenience of having your bone density scan done in our Lake Forest office. Before having your scan, it is very important that you know and understand the following:

Our office does participate with many insurance plans, however we cannot guarantee your benefits. As a courtesy, our office will file with your insurance plan for you. In the event that your insurance does not cover this scan, you will be responsible for any non-covered charges.

Please sign this release prior to your scan, so that we may record in your chart that you have been notified.
