Please take a moment to become familiar with our office's policies and guidelines, then sign the acknowledgement at the bottom of this page and return it to our office. Thank you for your cooperation.

First Time Visit: Please arrive at least 10 - 15 minutes prior to your appointment time and bring your insurance cards and a photo ID. A medical assistant will go over your past medical history. Please bring a complete list of all medications you are currently taking. If you have co-pay or have not yet met your deductible, please be prepared to pay it when you check in at the front desk. If you are a self-pay patient, payment will be collected before you see the doctor. Payment is due at the time of service.

Follow-Up Visits: Please arrive 5 - 10 minutes before your schedule appointment time. It is our goal for you to be ready to see your physician on time. Follow-ups are scheduled based on the particular needs of specific disease processes. If you have multiple chronic illnesses, you may be scheduled for multiple follow-up visits.

Late Arrivals: We all run late sometimes. In the event that you are late for your appointment, we will try our best to work you back in to the schedule. Depending on how busy we are, you may be required to reschedule your appointment.

Appointment Cancellations: We understand that sometimes plans change. We ask that you reschedule appointments *at least* 24 hours in advance so that we may give that time to someone else. If you do not call the office 24 hours prior to your appointment or "no show" you will be charged a \$55.00 fee.

Sick Visits: Established patients who need acute care should call as early in the day as possible so that we can accommodate you. Patients are seen by appointment only.

Medication Refills: For non-emergency, and routine medication refills, please allow 72 hours and ask your pharmacy to send us a refill request. Also, please let a nurse or physician know if you need a 90 day prescription. Narcotic medications will only be written for a 30 day supply at a time. Additional refills to the original prescription will be at the doctor's discretion. Early refills will not be given. You may also be asked for a follow-up appointment for certain refill requests.

AFTER HOURS * If you have a life threating emergency, call 911 or go to the nearest emergency room.

Special Forms or Letter Requests: There is a \$35.00 charge for all medical forms or letters of any kind to be completed by our practice. Please allow 7 to 10 days for completion.

As a courtesy to our patients, we file insurance claims for those insurances with which we participate. Accounts with outstanding balances greater than 90 days will be considered in collection status. All costs associated with sending the patient to collections will be the responsibility of the guarantor. Payment plans can be arranged by speaking with the front desk.

Please remember that your appointment is to focus on your medical needs. If your family member, who is also our patient, has any medical needs (including medication refills), we will be happy to schedule an appointment for them at the conclusion of your office visit.

As a courtesy, please turn off or silence your cell phone during your office visit.
