Welcome to Foot & Ankle Specialists of New Mexico!

We are a state-of-the-art facility, with reputable & experienced board-certified physicians who specialize in both the non-surgical and surgical treatment of both the foot and ankle. Our expertise includes diabetic foot care, geriatric foot/ankle treatment, pediatrics, wound care, sport injuries, and fractures. We proudly offer 6 locations to serve Albuquerque and surrounding areas, each equipped with the most current, on-site radiographic and ultrasound technology.

Here are a few more perks for being our patient:

- Now that you're an established patient, you can avoid urgent care facilities for foot/ankle injuries since we can generally accommodate same day and next day appointments (some exceptions will apply). Office hours are 8:30 – 5:00, Monday through Friday.
- Please use the attached coupon to receive 15% off a purchase in The Store at Juan Tabo, which is also valid for store purchases within our other clinics, as well.
- Check out our website at www.footanklenm.com and "Like" us on Facebook!
