# ALABAMA VEIN & RESTORATION MEDSPA

4721 Chace Circle, Hoover, AL 35244

P:(205) 823-0151 \* F:(205) 823-5218 \* [www.alabamaveincenter.com](http://www.alabamaveincenter.com)

At Alabama Vein & Restoration Medspa, our goal is to improve the quality of life of our patients. We utilize cutting edge technology and the most advanced venous procedures to establish an accurate diagnosis and for successful treatment.

We strive to provide compassionate, comprehensive vein treatments for patients with venous insufficiency, venous ulcers, and spider veins. As a team comprised of physicians, physician assistants, and other medical staff, we work from the top to the bottom to achieve our goal of taking care of our patients in the most pleasant and efficient way possible.

## Conditions Treated

Varicose Veins • Spider Veins • Venous Ulcers • Stasis Dermatitis

## Vein Treatments Offered

- \* Ultrasound Guided Sclerotherapy
- \* Varithena
- \* Microphlebectomy
- \* Veinwave
- \* EVLA
- \* Cosmetic Sclerotherapy
- \* Compression Therapy
- \* Venoseal

C. Austin Hunt II, M.D., F.A.C.S., RPVI \* Sylvia Eldridge, PA-C \* Jamie Gober, PA-C

## *We also offer Hormone Replacement Therapy*

As the levels of hormones decline, so do our physical and mental capabilities. We lose our energy, vitality, strength, physique and health. By restoring these hormones to their youthful levels, it is possible to restore our zeal and energy as well as to strengthen and bolster our bodies and minds.

### Hormonal Deficiency Symptoms Include:

- Weight Gain
- Loss of Muscle Mass
- Wrinkling and Thinning of the Skin
- Depression and Stress
- Loss of Sex Drive
- Fatigue
- Sleep Disorders

## ABOUT CBD

Cannabidiol, more commonly known as CBD, is by far one of the most studied compounds of the 116-plus known cannabinoids found in industrial hemp.

Being a natural compound of the plant, it can comprise up to 40 percent of hemp. Unlike THC, CBD is non-intoxicating, which means it will not get you high.

CBD is often regarded as the single most crucial cannabinoid ever discovered. With on-going research, the list of uses continues to grow, giving more and more hope to those looking to enhance their overall quality of life.

Whether it's to maintain general well-being or becoming more proactive with a daily wellness routine, there are various ways in which CBD oil is useful.

Based on your needs and preferences, you can apply CBD and other cannabinoids through different methods. Your choice of administration can affect how CBD works with your body; common ways of administering CBD is through ingestion, sublingual, inhalation, and topical.

Your body's absorption of CBD from the application area into the bloodstream is known as its bioavailability – maximizing bioavailability means allowing more CBD to be readily available for bodily use. Taking CBD through various means changes its bioavailability; however, choosing the best method of use for your needs will help ensure that you'll receive the most support from properly sourced CBD.

# How Can Vasculera Help Me?

**As women, we don't have to be ashamed of our veins. In fact, varicose veins are such a common condition that 50% of women have them.**

**If you have varicose veins and you don't want to go through the hassle of surgery, then there's good news for you! Vasculera® is a revolutionary new treatment for those with chronic venous insufficiency or varicose veins.**

**At Alabama Vein & Restoration MedSpa, Dr. Charles Hunt II and his team are dedicated to your cosmetic and healthcare needs. That's why we're proud to offer you a prescription medication that zaps your varicose veins right off.**

## **How does Vasculera work?**

**Vasculera works by changing your biochemical pathways that may lead to varicose veins, edema, venous ulcers, spider veins, and stasis dermatitis. The primary ingredient, Diosmin, is a flavonoid found in citrus fruits, that works to prevent inflammatory damage in your vein walls.**

## **Precautions and warnings**

**You'll want to follow Dr. Hunt's instructions for taking the medication, and avoid taking larger or smaller amounts than what he recommends. Vasculera is also not recommended for pregnant women or those who want to become pregnant.**

**Please see our website for more precautions and warnings.**

**If you're ready for smooth, veinless legs without the hassle of an operation or an invasive medical procedure, then Vasculera could be the perfect medication for you. Call us or request an appointment right on our website today.**

## Blonde Brownies

Recipe by Sue Bush on allrecipes.com

Prep  
30 min

Cook  
20 min

Ready  
50 min

Servings  
6

Yields  
1 dozen

### Ingredients:

- 1 cup sifted all-purpose flour
- 1/2 teaspoon baking powder
- 1/8 teaspoon baking soda
- 1/2 teaspoon salt
- 1/2 cup chopped walnuts
- 1/3 cup butter, melted
- 1 cup packed brown sugar

- 1 egg, beaten
- 1 tablespoon vanilla extract
- 2/3 cup semisweet chocolate chips

### Directions:

Preheat oven to 350 degrees F (180 degrees C). Grease a 9x9-inch baking pan. Refrigerate crust until thoroughly chilled, at least 30 minutes.

Measure 1 cup sifted flour. Add baking powder, baking soda, and salt. Sift again. Add 1/2 cup chopped nuts. Mix well and set aside.

Stir the brown sugar into the melted butter and mix well. Cool slightly.

Mix the beaten egg and vanilla into the brown sugar mixture. Add flour mixture, a little at a time, mixing just until combined.

Spread the batter into the prepared pan. Sprinkle 1/2 to 1 cup chocolate chips on top. Bake in the preheated oven until a toothpick inserted in the center comes out clean, about 20 to 25 minutes.
