

June 2020

To Whom It May Concern:

On Friday, July 24, 2020, **The Wilmington Community Clinic** will host its **5th Annual Summer Event via a Zoom Event**. The Clinic is still on the front lines of COVID-19. We are living in a constantly evolving and complex time and we hope that you will support us as we move into this new era of fundraising for the Clinic. As you may know, the Summer Event is one of the Clinic's annual fundraising events, with all donations going directly to fund the Clinic and the services we provide to the needy in our community.

As a valued partner of The Wilmington Community Clinic, **I am pleased to invite you to be a sponsor of this important fundraising event**. There are a variety of sponsorships or donation opportunities available, each offering ways to showcase your company to a prime demographic.

This year's Summer Zoom Event will not disappoint. **Guests will enjoy an evening with a local "Spirits Expert" making signature cocktails and mocktails, raffle opportunities and more**. This private event will allow guests to learn how to make craft cocktails in the comfort of their own home. By sponsoring this event, you are making an investment in a patient's future. Your participation will help The Wilmington Community Clinic maintain the integrity and availability of quality health care and social services to uninsured men, women and children.

In return for your support, you will receive:

- **Great consumers:** An opportunity to showcase your product and business to a crowd of successful, multi-generational professionals
- **Great marketing:** You will be listed on the Clinic's website and event materials
- **Great cause:** The Wilmington Community Clinic's valuable services count on the support of the community. Your participation in this event directly helps the Clinic keep its doors open and its services affordable!
- **All donations are tax-deductible.**

Founded in 1977, The Wilmington Community Clinic is a system of non-profit, community health clinics that provide quality, comprehensive social services, dental and medical care to underserved children, adolescents and adults. Last year, the Clinic provided care to more than 35,000 patient visits to children, adolescents and adults in Wilmington and the surrounding communities. **With an increasing number of people turning to the Clinic for health care, your sponsorship is needed now more than ever.** If you would like to learn more about the Clinic, please visit our website at www.wilmingtoncc.org.
