July 20, 2020

Dear Patients and Friends,

After much deliberation, I have decided to resign from The Woodlands Sports Medicine Center on August 28, 2020. It has been a difficult decision to make, but with much prayer and consideration my family and I have decided to return to the Dallas-Fort Worth area. I will be transitioning on September 1, 2020 to North Texas Orthopedics & Spine Center in Grapevine, TX. (817-481-2121).

It has been an honor and a privilege to serve The Woodlands and surrounding areas. I will truly miss my patients, my former partners, and my friends. Following my departure, you may transfer your care to one of my partners or to an orthopedic surgeon of your choice. Your medical records will be maintained at The Woodlands Sports Medicine Centre. You may request a copy by providing a prepaid fee in accordance to Texas Medical Board guidelines; or request they be transferred to another orthopedic surgeon outside of The Woodlands Sports Medicine Centre by completing a medical record release at their office.

Thank you for the opportunity to serve this community, and I wish you all the best.

God Bless,

Casey R. Stuhlman, MD
