COLLEEN E. CHERRY, MD

Since Atlanta-native, Dr. Colleen Cherry, started practicing medicine, she has been positively impacting the lives of women of all ages and walks of life. From the moment you meet Dr. Cherry, her enthusiasm for her trade permeates the room. Whether she is comforting a young adolescent through her first gynecological experience, or she is helping a mother welcome her next baby into the world, Dr. Cherry cares for each of her patients with the same approach: ensure comfort, provide cutting-edge knowledge, and smile the whole way through. While she is an expert in all matters of women's healthcare, Dr. Cherry has a special interest in pediatric and adolescent gynecology, contraception guidance, and high-risk obstetrics. We bet once you meet Dr. Cherry, you won't be able to leave without catching her infectious smile.
