

OFFICE HOURS

Monday through Friday
9:00 a.m. until 5:30 p.m.

APPOINTMENTS

Patients are seen by appointment only. If you cannot keep an appointment, please call immediately. This courtesy on your part makes it possible for us to give an appointment to another patient.

REFERRALS

A patient's recommendation of our services is the highest compliment we can receive. Our appointment book is always open to your friends or family.

FEES AND PAYMENTS:

Fees are based upon the skill and expertise required, as well as the difficulty of the individual operation. We are happy to discuss our fees with you at any time. Financing available; no charge for filing insurance to collect for surgery.

Cosmetic Surgery: Cosmetic procedures are not covered by insurance. We will talk with you about fees and payment options during your initial consultation so that you can plan appropriately.

Reconstructive Surgery: We will normally file your insurance for you. You are responsible for your co-payment and any deductible. We participate with Medicare and most local PPO and some HMO plans.

IN CASE OF AN EMERGENCY

A surgeon is always on call for emergencies. If you need special attention, you can call the office at 817/336-9450. During office hours, please leave a message with one of our able staff members. Your doctor will return your call as soon as possible.

Let Dr. Gracia Help You to Feel Better About Yourself through Cosmetic Surgery

FACELIFT:

A surgical procedure to reduce the signs of aging by providing an overall lift to the lower third of your face by tightening loose skin in the jowls, neck and jaw line.

EYELID SURGERY:

Also called blepharoplasty, this procedure can correct sagging eyelids, remove fatty pouches beneath the eyes and remove excess skin from the upper eyelids.

BREAST SURGERY:

Breast augmentation, reductions and lifts are performed by Dr. Gracia to increase breast size, correct sagging or reduce breast size to help eliminate back, neck and shoulder pain associated with larger breasts. Breast reconstructions are also performed.

LIPOSUCTION:

Liposuction removes the fat deposits that diet and exercise cannot. Dr. Gracia can help sculpt your body with no major incisions.

FACIAL REJUVENATION:

A variety of procedures are available to help rejuvenate you face without surgery. Procedures include Botox® for laugh lines and microdermabrasion for reduction of wrinkles and acne scars.
