

## FAQs

---

### **Can I eat solid foods the day before the procedure?**

NO, YOU CANNOT! No solid foods are allowed the day before your procedure. You must be on a CLEAR LIQUID DIET.

### **What can I drink in my Clear Liquid Diet?**

Water, Tea or Coffee without cream or sugar, Carbonated beverages (*Sprite, Coke, etc.*), Jello (no purple, orange, or red), Popsicles, Juices without pulp, Kool-Aid, Lemonade, Gatorade, hard candies, sugar and salt, and clear broths.

### **Do I need a ride home after procedure?**

Yes, you do.

### **Can I still take aspirine during my prep?**

Yes, you may aspirin and continue taking your usual medications up to the morning of your procedure with up to 4oz of water.

### **What if I have to reschedule?**

Any patient who cancels a procedure **LESS THAN 3 BUSINESS DAYS PRIOR** to that procedure will be assessed a **\$50 NON-REFUNDABLE DEPOSIT FEE.**
