To All our Valued Patients,

Drs. Justiss and Kaye will be leaving Pflugerville Ob/Gyn effective October 16, 2020, to join a large group.

Pflugerville Ob/Gyn will continue to serve all your health care needs with the same level of personalized service you are used to in a small, boutique setting. Drs. Shepherd and Thoppil, along with our Women's Health Nurse Practitioner, Elena Martinez, will provide care out of this location.

While we hope you remain with us, you have the right to transfer your records to another provider. Your medical records are confidential, and a copy can be transferred to another doctor or released to you or another person you designate only through your permission. If you plan to continue with this office, you do not have to do anything. If you choose to see a different physician, please sign our authorization form and return it to us as soon as possible so we may transfer your records to your new doctor.

Sincerely,

John Thoppil, MD

Rachel Shepherd, MD

Elena Martinez, WHNP
