Rosehip Regenerative Cleanser

Mild face wash for everyday use. Mix with the microdermabrasion scrub for best results. **35**

Beta Hydroxy Purifying Cleanser

Cleanser for oily and acne prone skin. Great morning cleanser for acne patients. **30**

Microdermabrasion Scrub

Exfoliates and removes dead skin cells to give the skin a smooth and silky feel. Best when used in combination with the rosehip cleanser. **60**

Retinol 5% complex

Used to reduce the appearance of fine lines and wrinkles. Great in conjunction with Botox/Dysport. Should be on everyone's cabinet as a daily night cream to reduce and prevent wrinkles. **85**

Age Expression Eliminator

Tightens undereye skin to reduce the appearance of tired and puffy eyes. Great for getting rid of darkening of the under eyes. **55**

Lash Proliferating Serum

Increases length and volume of eyelashes. A much more affordable alternative to Latisse! **70**

Necklevate Firming Cream

Used to firm the skin of the neck thereby reducing the appearance of loose and wrinkled skin. **75**

Bruise Cream

Containing the healing herb Arnica, it reduces the appearance of bruises. Great to use post-surgery, after filler treatment or for improved healing of injuries. **40**

Resveratrol Night Cream

Made from the same healthy enzymes found in red wine, this cream improves skin repair and increases your skin's radiance and glow. This is great as a daily hydrating cream. **95**

Lipid 3 Ceramide

For dry and itchy skin, this is an amazing moisturizer for the body as well as the face. This moisturizer leaves your skin feeling silky smooth. Our most popular item! **75**

CoQ10 Toner

Packed with powerful antioxidants, this toner helps close pores, reduces impurities and balances the pH of the skin. **25**

Hyaluronic acid serum

This topical serum is a powerful skin hydrator. This mechanism yields a natural plumping appearance of the skin. In addition, the hyaluronic acid prevents water loss in the skin that often occurs in the cold winter months. **100**

Mega CBE and Ferulic

Loaded with antioxidants, this topical serum helps to prevent hyperpigmentation of the skin and gives it a rejuvenated appearance. In addition, it is hydrating and reduces oxidation of the skin that causes an aged look. **150**
