HOW DOES IT WORK?

INITIAL DR. VISIT

The first visit will be in person at one of our clinics. At this time our friendly staff will set up your **DR.G'S Anywhere Weight Loss Program**.

You will purchase your very own DRGS scale and blood pressure cuff to take home so you can get started!

WEEKLY TRACKING

Our state of the art tools will send your weight, blood pressure, and pulse information from the comfort of your home straight to our clinic. Our staff will receive Automatic alerts to help monitor you more closely.

VIDEO CALLS WITH YOUR DR.

You will have the ability to schedule video calls with your doctor. Once completed, you will be able to order your medications!
