

What is included in an Annual Physical Check-Up?

ROUTINE ANNUAL PHYSICAL CHECK-UP (INCLUDED)	ADDITIONAL OFFICE VISIT/DIAGNOSTIC SERVICES (NOT INCLUDED)
<p>95 % of patients have no financial responsibility for the following services:</p> <ul style="list-style-type: none">  Weight, height, blood pressure checks  Review of your current health & medical history.  Basic health screenings like colon cancer, breast cancer, cervical cancer, and prostate cancer screening*  Counseling regarding healthy habits and preventing sickness  A physical exam suited to your medical needs  Vaccinations (excludes travel-related vaccines)  Routine screening lab tests** (billed separately by the laboratory) 	<p> For your convenience, we can provide these services during your annual physical check-up but you will pay extra. ***</p> <ul style="list-style-type: none">  Treatment or discussion about a specific medical condition like back pain, headache, acne, etc...  Advice regarding a problem is not part of a routine annual physical check-up  Medication refills for a chronic or current medical condition  Discussion or planning regarding chronic diseases like diabetes, asthma, anxiety, depression, etc...  Specialist referrals for sick issues like acne, back pain, headache, etc....  Procedures such as earwax or wart removal  Non-routine lab tests** (billed separately by the laboratory)

* Performed by outside facilities (except for PAP smears which can be done in City Care Family Practice). Billing for specialist, radiology center, or blood testing are not handled by City Care Family Practice.

** Many patients may have to pay copay, deductible, or co-insurance to the laboratory for tests regardless if they are part of an annual physical check-up.

*** Copay, deductible, or co-insurance will apply depending on your insurance plan's determination.
