Our Notice of Privacy Practices provides information about how we may use and disclose your protected health information. The Notice contains a Patient Rights section describing your rights under the law. You have the right to review our Notice before signing this Consent. The terms of our Notice may change. If we change our Notice, you may obtain a revised copy by contacting our office.

You have the right to request that we restrict how your information is used or disclosed for treatment, payment, or health care operations. We are not required to agree to this restriction, but if we do, we shall honor that agreement.

By signing this form, you consent to our use and disclosure of protected health information about you for treatment, payment, and health care operations.
