

# Shipping Made Easy

## What You Need To Know:

- Effective February 8, 2021: All shipments containing schedule III controlled substances will require a signature upon delivery.
- Patients receiving schedule III controlled substance shipments will need to register with UPS My Choice prior to shipment to ensure accurate and efficient delivery.

- UPS My Choice gives patients the power to control incoming shipments through personalized preferences, real-time delivery updates, and rerouting shipment options, if needed. UPS My Choice mobile app can be downloaded on any mobile device.

- Register for UPS My Choice @ <https://www.ups.com/us/en/services/tracking/mychoice.page?>

- Ship outs are available Monday - Friday. Cost to ship overnight is \$20 unless shipped out of state. Additional pricing may apply.

- For any issues dealing with lost, damaged,

or stolen packages contact UPS Customer Support @ 800-742-5877

# Additional Drug Info

- Needle packs will not be included with Testosterone prescriptions
