ASSIGNMENT OF BENEFITS

I consent for Dr. David Ritter, Dr. Ashley Egan, Dr. Jon Harris, Dr. Joshua Mark, and staff to render consultation and treatment. I understand that if I am a minor, a parent or legal guardian must be present at the time of consultation. I, the undersigned, certify that I or my dependent, have insurance coverage and that I have provided that information. I also understand that it is MY RESPONSIBILITY to keep the information updated. I understand that I am financially responsible for all charges whether paid by insurance or not. I hereby authorize the physician to release all information necessary to secure the payment of benefits. I authorize the use of this signature on all insurance submissions. Please remember that insurance is considered a method of reimbursing the patient for fees paid to the doctor and is not a substitute for payment. Some companies pay fixed allowances for all procedures and others pay a percentage of the charges. It is your responsibility to pay any deductible amount, co-insurance, or any other balance not paid for by your insurance.

If this account is assigned to an attorney for collections and/or suit, the practice shall be entitled to reasonable attorney fees and cost of collections. I authorize the release of any information necessary to determine liability for payment and to obtain reimbursement on any claim. I request that payment of authorized benefits be made on my behalf. You are not required to use any of these facilities and have the option to use an alternative health care facility. Please let us know if you have any concerns regarding the relationship between the physician and facilities.

We would like to inform you that if you are required to have a surgical procedure or medical treatment by Dr. David Ritter, Dr. Ashley Egan, Dr. Jon Harris, or Dr. Joshua Mark the fees that are quoted to you from this office are for the services rendered by our office only. You will need to discuss laboratory, pathology, anesthesiology, and facility charges with those individuals. They each have a separate billing office and have NO AFFILIATION with our office. The amount you are requested to pay at the time of scheduling is an estimated amount, due to your insurance benefits. After the surgical procedure or medical services are performed, your insurance company will be billed. If there is any remaining balance that you are required to pay, you will receive a statement from our office with that amount on it. By signing this form, you acknowledge that you are responsible for any balances on your account and or any services not covered by your insurance company.
