

At our dental practice, we are dedicated to making sure every visit to our office is a pleasant one that leaves you smiling. We invite you to look through the valuable information on our website to acquaint yourself with our professional team and dental services. We are a full-service dental clinic located in the Waldo area of Kansas City, MO (64114), offering general prevention services such as teeth cleanings and x-rays to help you from getting cavities as well as prevent gum disease. Dr. McLaurian is also very skilled in cosmetic dentistry, with a wide range of services available to you such as Invisalign, veneers, and teeth whitening. Whether you're interested in a minor improvement or a smile makeover, we are more than able to help you smile proudly.
