

# We're Moving!

**February 15, 2021**

Dear Friends and Patients,

We are excited to announce that we will be moving our office currently located at 280 Main Street, Suite 431 in Nashua, New Hampshire to a new nearby and convenient location at 436 Amherst Street, Suite 101 in Nashua, New Hampshire on **March 15, 2021! Our new office has much more space to accommodate our patients and staff as well as ample parking.**

We will continue to see patients in the Ambulatory Surgery Center at 280 Main Street, Suite 420 in Nashua, New Hampshire for most procedures.

We value you as a patient and hope you will visit us in our new office for all your pain management needs. Our office will continue to provide the best care possible and accept the same insurance plans.

We realize that change can be difficult, but we hope to make the transition as smooth as possible for you. Our staff will be available to help and we have included all the details regarding our new location, including address, phone number and office hours in the box highlighted below.

It has been a pleasure working with you and we look forward to seeing you at our new location. If you have any questions or concerns, please feel free to contact us or drop by the office.

Sincerely,

Pain Solutions Providers and Staff
