## New Jersey Advanced Pain Management Center RELEVANT OFFICE POLICY AND AGREEMENT

Dear valued patient,

Welcome to New Jersey Advanced Pain management Center for your health care. In order to provide the best possible care for you and avoid any confusion, please take a little time to read "PAYMENT AUTHORIZATION AND INFORMATION RELEASING AGREEMENT", "FINANCIAL POLICY", "NOTICE OF PRIVACY PRACTICE" AND "CACELLATION POLICY AND PATIENT NO SHOW OR LATE SHOW AGREEMENT".

#### L PAYMENT AUTHORIZATION AND INFORMATION RELEASING AGREEMENT

I, patient, hereby authorize the payment of medical benefits to New Jersey Advanced Pain Management Center for services rendered. I also authorize New Jersey Advanced Pain Management Center to release any medical information necessary to complete and process my insurance claims. I understand that I must present my insurance ID, which can be scanned as part of the claim processing information.

I understand that I am financially responsible for any services not covered by my insurance carrier. I agree to pay all collections costs, attorney fees, and other collections costs that may be incurred to enforce the collection of any amount outstanding.

#### II. FINANCIAL POLICY

New Jersey Advanced Pain Management Center believes that part of good healthcare practice is to establish and communicate a financial policy to our patient. We are dedicated to providing the best possible care for you, and we want you to completely understand our financial policy.

- 1. PAYMENT is expected at the time of your visit. We will accept cash, check or credit card. Payment will include any unmet deductible, co-insurance, co-pay amount or non-covered charges from your insurance company. If you do not carry insurance, or if your coverage is currently under a pre-existing condition clause, payment in full is expected at the time of your visit.
- 2. INSURANCE: We are participating providers with several insurance plans. We will file all of these insurance claims. A list of these insurance plans is available upon request. Please remember that insurance is a contract between the patient and the insurance company. Ultimately, the patient is responsible for the payment in full.

If your insurance information is found to be incorrect or invalid, the balance will be transferred to self pay. If you forward the correct insurance information, and your claims are rejected for time filing limits, you acknowledge that the balance will remain self pay. Also, if your insurance requires a referral and you do not have one, you may be asked to reschedule. If you choose to be seen, you agree that the fee for that visit will become self pay as you do not have a referral as required by your contract with your insurance company.

Not all insurance plans cover all services. In the event your insurance plan determines a service to be "not covered", you will be responsible for the complete charge. Payment is due upon receipt of a statement from our office.

- 3. COPYS are due at the time of service as per your contract with your insurance company. If the copay is not paid at the time of service, you may be asked to reschedule your appointment. Please understand that the contract is between you and your insurance company. Our contract with the insurance company states that we must collect copay at the time of service.
- 4. RETURNED CHECKS will incur a \$25.00 service charge. You will be asked to bring cash or a money order to cover the amount of the check plus the service charge. Returned checks that are not settled within 10 days will be forwarded to appropriate enforcement program where you will incur fees and court costs.
- ACCOUNTING PRINCIPLES: Payment and credits are applied to the oldest charge first, except for insurance payments which are applied to the corresponding dates of service.
- 6. **BILLING STATEMENT:** If you have questions in regard to any of your billing statements, our account receivable staff is available to assist you.

#### III. NOTICE OF PRIVACY PRACTICES ACKNOWLEDGEMENT

We keep a record of the health care services we provide to you. You may ask to see and copy that record. There is a service charge for medical record copy. We will not disclose your record to others (except your treating or referral physician) unless you direct us to do so, or unless the law authorizes or compels us to do so. By the signature below, you acknowledge receipt of the Notice of Privacy Practices.

#### IV. CANCELLATION POLICY AND PATIENT NO SHOW OR LATE SHOW AGREEMENT

I, patient, understand that it is very important that I attend the scheduled appointment for my health reason and scheduling for New Jersey Advanced Pain Management Center as well. Any necessary cancellation should be made in advance at least 24 hours prior to that appointment.

Should any cancellation with less than 24 hours' notice or no show for my appointment, I agree that New Jersey Advanced Pain Management Center will bill me personally (not an insurance company) \$30.00 for the missed or canceled appointment,

I understand that I may be asked to reschedule my appointment if I am late 15 minutes for my appointment.

I have read and understand all above completely, and I agree to be bound by the terms.
