Notice of Privacy Practices

Our practice is dedicated to maintaining the privacy of your individual identifiable health (PHI) information. We are required by law to make this available to you. Our practice will post a copy of our current Notice in our office in a visible place at all times. It is also available on our web site, and you may request a copy of our Notice at any time.

Please sign below indicating that you have read and understood your rights to receive a copy of this Notice.

Please list the names of the persons to whom we may disclose the patient's PHI and state how the individual is related to the patient.
