### How to file for disability ONLINE:

- 1) <http://www.edd.ca.gov/>
- 2) Review the list for eligibility  
[http://www.edd.ca.gov/Disability/FAQ\\_DI\\_Eligibility.htm#Iquitmyjob](http://www.edd.ca.gov/Disability/FAQ_DI_Eligibility.htm#Iquitmyjob)
- 3) Click on the button at the bottom of the page on right hand side “**EDD ONLINE**”
- 4) Click on “**SDI Online**” under the subject “**For Claimants**”
- 5) Go to Website and choose whichever blur highlighted portion is true for you. More than likely you will choose “**SDI online Registration**”
- 6) Click on “**Continue to Claimants Registration**”
- 7) Go through the security check
- 8) Start the registration process entering in all information including your *driver’s license number* and all employee information pertaining to your *job duties* and *other injury* questions.
- 9) Then you must actually **SUBMIT A CLAIM**. Go to right hand side of the screen and submit the appropriate claim pertaining to patient needs.
- 10) Once the registration is complete you **MUST** obtain the “**Patient receipt number**” typically starting with (**R10000000.....**). **This is the number we need to complete your case in office.**
- 11) Call the nurses line (x106) with this **exact number** and then she will be able to complete the form online with ease. Without this number the disability submission **will not** be completed.
- 12) Once the above steps have been completed on your end, SOCO nurse will then fill in the disability dates and codes to finish this disability claim.
- 13) Please allow 5-7 business days for completion
- 14) At this point it will be the *claimant’s responsibility* to follow up with **EDD** with any other questions and to make sure it has been processed appropriately.
- 15) You can log into your own account to check status.
