

Weishaar & Weber Appointment Policy

11-2-17

Trying to accommodate every patient's individual needs and work schedule can be a challenge, and we do our very best to respect your time and needs. Our daily goal is to be timely and to minimize your waiting time in our office.

A scheduled appointment is a commitment of time between the Doctor or Hygienist and the patient. We have reserved that time, specifically, *Just For You*.

We respectfully ask that when you schedule your appointments with us that you make every effort to keep that commitment. We understand that emergencies do arise and we will take that into consideration.

If you find that you cannot keep your scheduled appointment, a 48 hour notice would be greatly appreciated. You may call the office Monday - Friday, and off hours you may still contact us via Patient Connect, our online portal.

Your understanding and cooperation allow us to take great care of ALL of our patients. We look forward to serving you!

**I have read the above information, and understand that
I may be charged should I not comply with the Appointment Policy.**
