

# ASK YOUR OB/GYN: CAN A SMARTLIPO™ PROCEDURE HELP YOU?

Smartlipo can remove fat with minimal downtime and less pain than traditional liposuction.

It delivers energy underneath the skin so your fat melts away while tightening your skin to achieve the contoured shape you desire.

**Call 808-218-6677**

Ask for your free consultation to learn how a Smartlipo procedure can leave troublesome areas of fat in the past.
