Listen to me, don't be a fool!

Listen to me-don't be a fool
Cigarette smoking-is not cool!

Smoking causes-high blood pressure
Say no, no to-friend's pressure
Heart attacks are-more when you smoke
Don't let life-go up in smoke

Listen to me-don't be a fool
Cigarette smoking-is not cool

Mark my words-I'm telling you the truth
Smoking causes-stains on the tooth
Cancer of the mouth-cancer of the throat
Cancer of the lungs-are nothing to gloat!
Cigarette smoking-is not cool!
Listen to me-don't be a fool

Smoking cuts your competence
Boys may end in impotence
Nicotine causes addiction
With hundred percent prediction!

Listen to me-don't be a fool
Cigarette smoking-is not cool!

Smoking causes-lung diseases
Sooner than normal-life ceases
One pack of cigarettes-cuts your life
By four years-just like a knife!

Listen to me-don't be a fool
Cigarette smoking-just is not cool!

In smoke thousands-chemicals are there
All are poisons-be aware!
Children suffer-when families smoke
Asthma, earaches-that's no joke!

Listen to me-don't be a fool
Cigarette smoking-is not cool!

When friends smoke-you inhale
You have problems-on a large scale
Smoke is a poison-who needs it?
Tell your friends-ask them to quit!

Listen to me-don't be a fool
Cigarette smoking-is not cool!

Asthma, wheezing,-cough and phlegm
Sooner or later-you get them
Smoking leads you-straight to the grave
Say no to smoking-and be brave!

Listen to me-don't be a fool
Cigarette smoking is not cool!
