Dear Patient,

Below is information that may be helpful for your visit. If you have any questions, please feel free to call our office at 310-229-3555.

There is no free bus shuttle service provided by our facility. Metro bus is available at a minimal cost. For taxi service, call:

Beverly Hills Cab (800) 273-6611,
L.A. Taxi (310) 859-0111,
Independence Taxi (310) 659-8294, or
United Taxi (800) 822-8294.

Many of our patients find using Uber to be a less expensive method of transportation than a taxi service. The Uber app is optimized for use on smartphones and available for download on iPhone, Android, Windows Phone, and BlackBerry. If you don't have a smartphone, you can access your account and request a ride on our mobile website. Please visit m.uber.com to request rides.

Approximately 40 car rental companies operate out of LAX, with vehicle rental sites located off the airport. Please use phone links inside or near the baggage claim areas on the Lower/Arrival level of the terminals. Travelers can request a free shuttle pick up to reach the car rental sites.

The following rental companies are permitted to pick-up and drop off travelers:
