OFFICE AND FINANCIAL POLICIES

Financial

It is your responsibility to keep us aware of any changes in your health insurance coverage. Failure to do so could result in services not being covered or pre-authorized, leaving the expense to you. The filing of a medical claim is an expensive process that we extend to you at no charge as a courtesy; however, all co-pays, co-insurances, deductibles and non-covered items are expected to be paid prior to services rendered.

"No Show" and Cancellation Policy

Appointments

We make every effort to confirm your appointment in advance. Due to our heavy patient load, same day cancellations and "No Shows" are subject to a $75 fee. You will not be rescheduled until this fee is paid.

Procedures

Patients who "No Show" their scheduled procedures or do not cancel more than 24 hours in advance are subject to a $100 fee.

Repeat cancellations and/or "No Shows" are subject to dismissal from our practice.

Refill Policy

Refill requests must be called in 3 business days prior to due date so that it will give the doctor ample time to either refill the medication or notify you if it cannot be refilled. Failure to call the office 3 business days in advance could delay your prescription refill. Prescriptions may be picked up on the day they are due. Any Schedule II Narcotic refills that are filled outside your clinic appointment will incur a nominal $10 fee.

I have read and understand the above office and financial policies and accept responsibility for all charges incurred from services rendered to me by Permian Basin Pain Management. I also understand and agree to the terms of the refill policy.
